## BBQ and Auction Evening

On 31st August there was a barbecue and auction of maps and books left to the club by Liz Holmes attended by 27 members. After enjoying their food everyone gathered together for an auction with Paul Shearman as the auctioneer where he got everyone's attention and bidding was brisk. A record was made of each of the winning bids by the treasurer, Ed Board and at the end of the evening we had made £260 which included a few donations.

The club committee will be discussing at their next meeting what should be done with the monies raised and ideas under consideration include a donation to MacMillan nurses and a tree in Liz's memory. Members will be updated on progress at the AGM in February. Sally Dudley the host of the evening said "I am sure Liz would be pleased with the success of this evening and the interest in the weekend at Boggle Hole Youth Hostel in December which is proving popular where we will be walking along her favourite coastline".

## Pennine Way Progress Report

During the club's Diamond Jubilee Year in 2002, the club decided to undertake a project of walking the length of the Pennine Way over the next ten year period.

To date we are closing in on the halfway point, and the club has reached Bowes in County Durham, just off the A66 after scaling Great Shunner Fell, Yorkshire's 3rd highest hill and calling at the Tan Hill Inn Great Britain's highest pub.

**We urgently need walk leaders to lead future sections - if you are interested please contact a member of the committee for more information.**
