## Summer Programme - Highlights

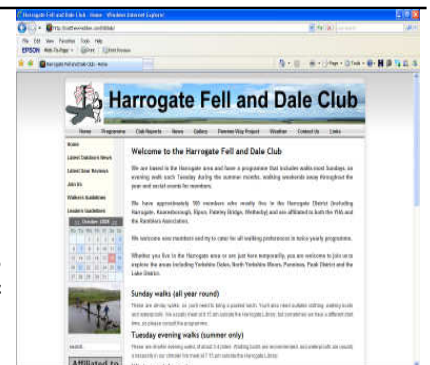

The next programme which runs from May to October has now been prepared (many thanks to all those that volunteered as leaders) and includes a wide variety of walks, weekends away and other events. As usual our summer programme also includes the Tuesday night walk programme beginning on 12th May with Martin Mills taking people on a circuit around Birstwith & Swarcliffe.

Some of the highlights of this programme are the two weekends away - Bangor in May and the Sedberg in September, a camping weekend in the Dales in July and the BBQ in August. For more information on these and other events please see the website and the programme.

## Club Website

In September 2008 we launched our new website, on which you will find the walk programme, photo galleries, walk reports and other useful information and a record of past club event reports.

Please remember to keep looking at the website for new events, updates or changes to walks and offers from advertisers. There are also lots of photos from walks, weekend away and other memorable encounters..

## Pennine Way Progress Report

During the club's Diamond Jubilee Year in 2002, the club decided to undertake a project of walking the length of the Pennine Way over the next ten year period. To date the club have reached Langdon Beck in Teesdale and we urgently need walk leaders to lead future sections - if you are interested please contact a member of the committee for more information.
